

Clear-cutting Western Oregon

- Public lands proposed for long term logging mandates(Trust)
- Logging Mandates on Forest Service Lands(Trust)*
- Public Lands Transferred to Coos County (54,000 acres)
- BLM O&C/CBWR public lands not proposed for logging mandates
- Rivers

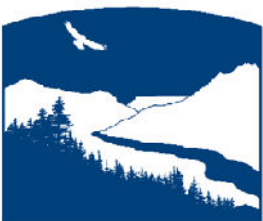

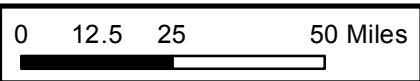

O&C public lands = 2.5 million acres
 Proposed public land clearcuts = 1.5 million acres

Forest stand ages are based on BLM GIS data.

*Map shows less than half of the Forest Service mandates for logging.

All red/black/purple areas on the map could end up looking like this clear cut.
