

Oregon Wild Business Partnerships

Oregon Wild is dedicated to protecting and restoring Oregon’s wildlands, wildlife, and waters as an enduring legacy for all Oregonians.

The business community plays an important role in shaping that legacy. Partnership with Oregon Wild demonstrates your company’s values and puts you in front of thousands of Oregonians who support protecting and restoring our natural places.

Since 1974, we’ve been instrumental in protecting Oregon’s most precious wildlands, wildlife, and waters including:

- Permanent Wilderness protections for nearly 1.8 million acres of wildlands, such as Opal Creek, North Fork John Day, Waldo Lake, Mount Hood and the Columbia River Gorge.
- 95,000 acres of forests in the Bull Run/Little Sandy watersheds (safeguarding Portland’s drinking water)
- Almost 1,800 miles of Wild & Scenic Rivers
- Advocating for protections on behalf of native Oregon species like salmon, owls, wolverine, and gray wolves.

“Supporting an organization like Oregon Wild says a lot about the values of your company. Making the decision to support Oregon Wild was easy and our only regret was that we did not do it sooner.”

- Shawn Donnille, owner of Mountain Rose Herbs

Our wilderness, old-growth forest and clean rivers/watersheds programs protect pristine drinking water, unparalleled recreation opportunities, and fish and wildlife habitat across Oregon. Through the power of over 20,000 supporters, Oregon Wild works to maintain environmental laws, while building broad community support for our campaigns.
